"ME AGAINST THE MUSIC" COSTUME AND EXTRAS LIST

COSTUME LEGEND:

Red writing = HIRE COSTUME (to be handed out in class Week 4, Term 4)

Blue Writing = TO BUY (Items will be purchased outright and are for students to KEEP)

Black/bold Writing = To be sourced from home

HAIRSTYLE DETAILS:

STYLE #1 = Mid to high level pony tail with a hair elastic that compliments your childs hair colour.
Please do not part the hair, slick hair straight back. Short fringe can be out but needs to sit above eyes and not fall into eyes.
Slick all 'fly-away's back with hairspray, gel, mousse etc

STYLE #2 = Mid to high level Bun (using at least 15x bobby pins to secure). Hair net optional. Please DO NOT USE a Donut Bun
Please do not part the hair, slick hair straight back. Short fringe can be out but needs to sit above eyes and not fall into eyes.
Slick all 'fly-away's back with hairspray, gel, mousse etc

MAKE-UP:

6-9yrs = Basic Make-up required at parents discretion (blush, eyeliner, mascara, neutral eyeshaddow, pink/red lipstick/gloss)
10-12yrs = Stage Make-up required (foundation, blush, neutral eyeshaddow, eyeliner, mascara, RED lipstick)
13+yrs = Stage Make-up required (foundation, blush, neutral eyeshaddow, eyeliner, mascara, RED lipstick), Optional extra is False Lashes

FOOTWEAR & TIGHTS:

BLACK/TAN SHOES= If you require a different colour shoe than you currently own we recommend PAINTING your shoes with shoe paint rather than purchasing a new pair of shoes as it is more cost effective (unless your dancer has outgrown them of course!). Shoe paint can be purchased from Set the Stage or your local shoe store. If you have any queries about this please get in touch with our admin team.
TAN JAZZ TIGHTS = Dance branded stockings that have a full cover over the foot (convertible tights are most preferred). Dance Jazz tights are thicker than cheaper versions that you can pick up from Woolies/Coles etc (as gussets should not be visible). Only Dance tights are allowed for dance.
Tan Stirrup Tights = These tights are full length down to the ankle however they only loop around the arch of the foot leaving the toes and heel bare. Dance routines that require the dancer to have BARE FEET or LYRICAL HALF SHOES must have this type of tights for safety.
***If you are dancing in multiple styles and require both footed and stirrup tights you can purchase convertible tights that change between the two. If this information is confusing, please chat to the team at Set the Stage (they have a copy of this information for easy reference) OR email our team and we will assist you ☺*
