# KISS N' RIDE POLICY

## AT DANCE ETC KISS N' RIDE IS COMPULSORY FOR ALL 6+YR STUDENTS

To manage parking during busy times, we have a mandatory Kiss-N-Ride bay in front of the studio.

To assist with traffic flow and child safety all cars must enter the car park via the ERINDALE ROAD end and exit via the REID HIGHWAY side of the car park. The bay in front of the studio door will be marked off for studio to safely exit their vehicle and walk straight into the studio.

Students aged 6yr and above should follow this rule, with exceptions for special needs, new students, prior approval, or admin needs.

For children aged 5 or under, one parent/guardian must stay on-site. Please wait inside the waiting room for pickup.

Parking on the grass is prohibited & we request that patrons park in the 'DANCE ETC' marked car bays on-site only. There are marked bays in front of the studio & behind the studio (drive down driveway at side of building).

Thanks for being considerate of our neighbours.

**DANCE**  
etc.
